The Houston Flute Club is working on an initiative to have better exposure and awareness in the public schools. We are hoping to have a liaison for each school district in the area. An HFC liaison would simply be responsible for communicating our events to band directors at a district's middle and high schools. Please consider being a liaison if you currently teach students through a school district, or if you have connections with your district's band directors.

_____ **Yes**, Please contact me about being an HFC liaison for _____ ISD!
 _____ **No**, I am not interested in being an HFC liaison at this time.
